

# Kiss & Ride Contract for Safety

Most elementary schools in Fairfax County have established an area called the Kiss & Ride, which is designed as a safe place for adults in private vehicles to load and unload children. The Kiss & Ride is separate from the school bus area, which helps schools to avoid problems associated with cars passing buses, or cars parking in bus only zones and fire lanes. It also establishes a pedestrian traffic pattern to keep children safe.

If all drivers cooperate, the adult supervisor, with the assistance of the safety patrols, will be able to provide an efficient and safe transfer of children. To ensure safety for everyone, observe the following roles when loading and unloading children:

- ✓ Pull forward as far as possible into the designated Kiss & Ride lane before loading or unloading.
- ✓ Load and unload in the Kiss & Ride area only.
- ✓ Load and unload from the passenger side of the car only.
- ✓ Keep “good-byes” brief.
- ✓ Remain in the driver’s seat. (Safety patrols can assist with car doors.)
- ✓ Do not pass other cars that are loading or unloading.
- ✓ Do not park in the Kiss & Ride lane and leave car unattended.
- ✓ Do not park in the parking lot or at the side of the street and call to children.
- ✓ Exit the Kiss & Ride promptly after loading or unloading children.

**Starting in the 2017-18 school year all families will be issued new Kiss & Ride tags that are intended to be kept from year to year and used throughout your entire time at Keene Mill. If you lose your tag or just need another one, please use this form to request a new one. Please fill out only one contract per family.**

## Kiss & Ride Parent Agreement

I have read and agree to follow the Kiss & Ride rules.

I understand that failure to follow these rules is cause to revoke my Kiss & Ride privileges.
